

Firsway Health Centre

Salaried GP

6 sessions

We are a large, well established training practice with list size of 16,200 in a sought after area of Sale, Cheshire in a purpose built Health Centre that we moved into in 2009.

We use EMIS web, Docman and Lexacom and have excellent QOF and chronic disease management. We have in house minor surgery, LARC insertion, counselling and visiting consultant clinics in cardiology, urology, psychiatry and ENT.

We are looking for a committed, enthusiastic GP to join our friendly team of 5 Partners, 6 Salaried GPs, a large nursing team and our management, administrative and reception staff.

We are a progressive, well organised and friendly practice and have recently been assessed as Good by the CQC with 2 areas of outstanding practice: the safeguarding work we do for families and the templates we have developed in house to ensure patient safety.

We meet for coffee every day to unwind and share information and find that this offers support and good working relationships across our team. We are able to offer flexible working conditions with regards to surgery starting times and length of appointments. We hold regular social events for the whole practice too.

The terms and conditions include salary rates comparable across the sector, NHS pension scheme, 6 weeks' annual leave (pro rata) and one weeks' study leave (pro rata).

Informal visits/discussions are welcome. Please apply with a CV and covering letter to Paula Lea, Practice Manager, Firsway Health Centre, 121 Firs Way, Sale, Cheshire, M33 4BR or by emailing firswayenquiries@nhs.net
